CATERING

The venue hire fee is calculated on the basis that the hotel's kitchen restaurant caters. Regrettably no external catering is allowed on the premises.

Our innovative culinary team prides itself on providing quality, bragworthy meals. We change our menus on a seasonal basis with an emphasis on locally sourced ingredients.

We'll provide you with our latest menus and pricing details for your consideration on the day of your enquiry.

BEVERAGES

We'll collaborate with you to tailor the perfect bar setup and happily accommodate any special requests where possible.

The venue provides a full bar service aligned with our restaurant prices including premium spirits, mixers, beers, wines and sparkling wines. Unfortunately, no external beverages of any kind are allowed to be brought onto and consumed on our premises.

If you have preferences for specific wines, bubbles, or spirits, we welcome your suggestions and will do our best to accommodate.

VENUE SET-UP AND BREAKDOWN MUST-READ

Setups may start 1 hour before the event, should additional time be required, there will be an added charge of ZAR 1000.00 per hour.

Please do let us know if you have any special needs or thoughts regarding your decor or access to the premises. Though some arrangements can be made for overnight storage, we cannot guarantee this unfortunately.

Gorgeous George will allow the set up staff/host one hour after the end of the event to clear and clean the venue, thereafter the venue will be closed for any further activities.

We request that, should anything be left behind after your special day, all the other setup and decor be removed no later than 07h00 AM the following morning.

Unfortunately the staff of Gorgeous George is not able to assist the florists, décor consultants, lighting specialists and other service providers with decorations, carrying material or moving of flower arrangements either during set-up, during the event or during breakdown, unless previously agreed upon in writing.

Gorgeous George takes no responsibility for any items brought onto the property either before, during or after the event.

TIME

Our venue is available from 08:00 to 22:00 for brunch, lunch, dinner, or cocktail events. After-hours charges will apply unless otherwise agreed upon in writing. For dinner functions, you may extend the event until 23:00, provided that entertainment concludes by 22:00, and music is lowered to a reasonable level at the discretion of the event manager. An additional charge of R1,000 per hour will apply after the agreed timeframe (half-day or full-day rate), payable by the host to Gorgeous George Hotel prior to event departure.

An additional fee will be charged for any staff that have to work outside of their normal hours (08h00 – 24h00). Gorgeous George will allow the host one hour after the end of the event to clear and clean the venue thereafter the venue will be closed for any further activities.

The host is responsible for removing all equipment brought onto the premises of Gorgeous George following the event. For breakfast, lunch, or cocktail parties, this should be done immediately after the event concludes. For dinner functions, all equipment must be removed before 08:00 the following morning.

Please be aware that Gorgeous George is a fully operational hotel. While we make every effort to ensure your special day is memorable, we ask that you and your guests remain considerate of the privacy and comfort of our hotel guests. Access to other floors, stairwells, or hallways will not be permitted without prior written consent from the venue manager.
